Notice to Attorneys – Traffic e-Filing

The Court will continue its move from paper to paperless filings when implementing electronic filing on existing traffic cases. As of January 1, 2018, it will be mandatory for attorneys to file all pleadings through the electronic filing system on any existing case. Parties representing themselves will continue to file in paper form.

If you have not already done so, you must register for a Missouri Courts User Account. You must have an account in order to file a document electronically. Register for a user account by going to the Missouri Courts website at www.court.mo.gov. Click on electronic filing and create an account. There is no fee to register.

If you have additional questions about electronic filing you can contact the OSCA Help Desk at osca.help.desk@courts.mo.gov.
