To the Citizens of Jackson County, Missouri:

Welcome to the website for the 16<sup>th</sup> Judicial Circuit. We hope you will find this website useful and informative. It is a helpful resource for general information about our Court and its judicial officers and departments, and the types of cases heard here. It also contains contact information, information for prospective jurors, and administrative and other orders and notices concerning the Court's response to the many challenges created by the COVID-19 pandemic.

The 16<sup>th</sup> Judicial Circuit covers all of Jackson County. We are one of the largest judicial circuits in the state, and are made up of 37 Judges and Commissioners serving in four different courthouses, along with hundreds of dedicated Court employees – all working together to meet the Court's Constitutional obligation to fairly and impartially administer justice. We are committed to serving you, our citizens and neighbors, as we strive to uphold and apply the rule of law and fulfill the critical role we play as one of the three branches of government.

Thank you for your interest in our Court. It is a privilege to serve you.

Sincerely,
