Invitation to Bid

Bid number: 10008289  
Internet Service

Date: June 25, 2025

This addendum is being sent to all perspective bidders to answer some of the bidder questions.

1. Would the state be able to provide information regarding conduit that could be available allowing access from public right of way to the Minimal Point of Entry (MPOE)? Any insights or details you could share would be greatly appreciated.

For the following locations:

*Bandwidth Physical Location*

1Gb IP POP - 1305 Locust St, Kansas City, MO  
1Gb IP POP - 625 E 26th St, Kansas City, MO  
1Gb IP POP - 308 W Kansas St, Independence, MO  
10Mb IP POP - 105 S Central Ave, St Louis, MO

**Answer**

**No one on our IT staff knows the answer to the question about MPOE. There is a Fiber entry manhole out from our 1305 Locust address but we do not know anything further than that.**

2. Bandwidth for location at 105 South Central Ave, St. Louis, MO. Is 10Mbps is that the correct bandwidth needed?

**Answer**

**The 10Mb is correct in StL. We do not use it but once a year.**

This addendum is therefore and hereby acknowledged and shall become part of this invitation for Bid and any subsequent awarded contract. All previous paragraphs of bid 10008289 shall still apply.
