

16th Judicial Circuit, Jackson County, Missouri

NOTICE

**Pay by Web Option Now Available
for Jackson County Circuit Court Disposed Cases**

It is now possible to make payments electronically online for fines, court costs or fees assessed on your case by using the Pay By Web option. This convenience is only available at present for cases that are disposed. A disposed case means that the case is no longer pending. So, if you have a criminal or traffic case, it means you have been found guilty or pleaded guilty. If you are involved in a civil case, it means that there is a final judgment.

You may pay by credit card or electronic check.

The Pay by Web option is found on Case.net. Case.net is the State of Missouri's statewide court automated system.
