

**IN THE CIRCUIT COURT OF JACKSON COUNTY, MISSOURI  
16<sup>TH</sup> JUDICIAL CIRCUIT, STATE OF MISSOURI**

**In re: Extension of Suspension of Issuance and Enforcement of Writs of Restitution, Writs of Replevin, Writs of Attachment, Writs of Garnishment and any other Writs of Execution**

**Administrative Order No. 2020- 082**

**ORDER**

**WHEREAS**, the Centers for Disease Control and Prevention have declared that the spread of COVID-19 has become a worldwide pandemic; and

**WHEREAS**, the State of Missouri, Jackson County and various Mayors of cities in Jackson County have previously entered stay at home Orders and other emergency Orders requiring residents to remain at home except for activities essential to health and safety, and requiring businesses to cease operations unless they are considered essential businesses; and

**WHEREAS**, the previously entered stay at home Orders and emergency Orders have been lifted or terminated and have been replaced with Orders allowing for the phased and gradual re-opening of society, businesses and communities, while also including restrictions to minimize the potential spread of COVID-19; and

**WHEREAS**, the Missouri Supreme Court has issued several Orders regarding court operations, the most recent of which includes Operational Directives related not only to considering strategies to prevent the spread of COVID-19, but also directives toward easing restrictions related to court operations, with a clear intent to move toward more complete court operations; and

**WHEREAS**, the Coronavirus Aid, Relief and Economics Security Act (“CARES Act”) was enacted as part of the laws of the United States; and

**WHEREAS**, the CARES Act placed a temporary moratorium on certain legal actions to recover possession of specifically described covered dwellings for the nonpayment of rent for the 120 day period ending on July 25, 2020; and

**WHEREAS**, it is necessary to determine if a dwelling is subject to the temporary moratorium established by the CARES Act; and

**WHEREAS**, circumstances regarding COVID-19 have changed dramatically since the Court’s issuance of prior Administrative Orders related to the suspension of the

issuance of certain identified writs including replevin, attachment, garnishment, eviction and execution. As a result of these changed circumstances, it is proper to again extend the current suspension of issuance of said writs for a short period of time, recognizing however the clear intent of the Missouri Supreme Court, the State of Missouri and Jackson County to begin re-opening society, businesses and communities and resume more complete operations; and

**WHEREAS**, it is imperative that the Court take steps to protect the health and safety of the 16<sup>th</sup> Judicial Circuit, all judicial officers, all employees, all parties with business before the Court and all members of the general public; and

**WHEREAS**, pursuant to Section 478.240.2 R.S.Mo. and Section 15 of the Missouri Constitution, the Presiding Judge has general administrative authority over all judicial personnel and court officials in the Circuit.

**IT IS, THEREFORE, ORDERED THAT:**

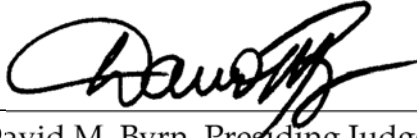

1. The Court Clerk is directed to delay issuing writs of restitution, writs of replevin, writs of attachment, writs of garnishment and any other writ of execution not specified in this Order up through and including the end of the day on Sunday, May 31, 2020, and the Director of Civil Process is directed to refrain from executing any pending writs of restitution, writs of replevin, writs of attachment, writs of garnishment and any other writ of execution not otherwise specified in this Order up through and including the end of the day on Sunday, May 31, 2020. Unless the gradual re-opening of society, businesses and communities pursuant to the current “re-opening” plans results in a significant elevation of COVID-19 infections, regression in the return to normal operations or other significant changes in circumstances that would warrant an extension of this stay of issuance of writs, service and execution of said writs may commence after the date set forth hereinabove, *provided however* that the verification referenced in paragraph 2 below has been filed with the Court.

2. Beginning on the date of this Administrative Order and continuing until July 25, 2020, before any existing, pending, previously filed or newly filed writ of execution seeking to recover possession of covered dwellings for the nonpayment of rent may be issued and/or served, a verification of compliance with the CARES Act, in substantially the same form/format attached hereto, shall be completed and filed with the Court in the casefile. No writ of execution to recover possession of covered dwellings for the nonpayment of rent will be served and/or executed unless and until a completed verification of compliance is filed.

3. This Administrative Order supersedes prior Administrative Orders 2020-062 and 2020-072.

IT IS SO ORDERED.
