Notice to Visitors to the Downtown Courthouse.

The maintenance and care of the Courthouse is the responsibility of the County. At this time, the Jackson County Executive's Office has informed the Court that there is only one public elevator that is working in the building. The public, jurors, attorneys and staff should expect the possibility of significant delays when visiting the courthouse. If you decide to walk the steps, know that walking one flight of steps is like walking two flights due to the mezzanines in between the floors. As the Court receives updates from the County on the elevator situation, this notice will be updated.
