Now, on this 15<sup>th</sup> day of December, 2015, it is hereby ordered:

The Family Drug Court Consultation Group ("Consultation Group") shall operate for the purpose of advising the Administrative Judge of the Family Court Division relative to the policies and procedures governing the operations of the Family Drug Court. The Consultation Group shall also advise the Administrative Judge on other matters such as: the capacity of the Family Drug Court, trends in drug use and abuse, identification and treatment of those whose abuse of controlled and/or illegal substances make them appropriate for Family Drug Court enrollment, drug and alcohol tests and procedures to be used, admission and case assignment criteria, and other matters as may be directed by the Administrative Judge.

1. Current statistics on the existing number of cases in the Family Drug Court, by child and by family, shall be provided to the members of the Consultation Group prior to each meeting for review at the meeting. The Administrative Judge may use discretion to develop ad hoc assignments to be completed by some or all of the Group members.
2. The Juvenile Officer shall serve as chair of the Consultation Group and shall prepare appropriate agendas for each meeting. The Director, Assessment and Development, shall serve as secretary and maintain the minutes of each meeting.
3. Appointments to the Consultation Group shall be made by the Administrative Judge. In addition to the Administrative Judge, the following individuals are appointed to serve on the Consultation Group:
  - a. Commissioner, Division 41
  - b. Juvenile Officer
  - c. Deputy Court Administrator/Family Court
  - d. Director, Assessment and Development Services
  - e. Regional Director, Children's Division, Jackson County, Missouri
  - f. An attorney who represents parents and who frequently appears in Drug Court, or a Guardian ad litem who frequently appears in Drug Court, as designated by the Administrative Judge.

Upon invitation and with respect to specific agenda items, the Group may request that representatives of treatment facilities and other interested parties attend the Group's meetings and offer suggestions or opinions.

The Consultation Group shall meet, at a minimum, on a quarterly basis, and may meet more frequently at the Administrative Judge's discretion.

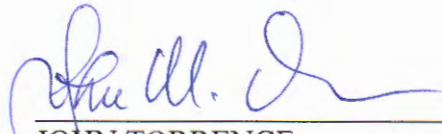

4. The current caseload capacity for the Family Drug Court shall remain at 110 families. The caseload capacity for this program may be subject to change by the Juvenile Officer, with the advice and consent of the Consultation Group. If a consensus cannot be reached on a caseload capacity issue and/or an operating procedural issue, the Juvenile Officer shall make the final determination on that issue.
5. Caseload information shall be made available to the Juvenile Officer on a daily basis. The Juvenile Officer has the final authority to accept or deny a case for admission into the Drug Court and shall be responsible for informing the Docketing Unit of capacity limitations or modifications to the capacity. 6. That the following procedures shall govern the transfer of cases between the Family Drug Court and other Family divisions:
  - a. During the pendency of any case filed by the Juvenile Officer pursuant to Chapter 211, upon the Court's own motion or upon the motion of any party, the division hearing the case may order the Juvenile Officer to screen the case for eligibility and admission into the Family Drug Court.
  - b. The Juvenile Officer shall screen all cases for entry to the Family Drug Court within five days of any such order. If the Juvenile Officer accepts the case into the Family Drug Court, the Juvenile Officer shall notify, in writing, both the Commissioner assigned to the Family Drug Court, the referring Commissioner, and all parties, that the case has been accepted into the Family Drug Court. The referring Commissioner shall arrange for transfer of the case.
  - c. Any party may also request the Juvenile Officer to screen a case for admission independent of a court order and, if admission is accepted, the Juvenile Officer or requesting party can move the assigned division for an order of transfer. The assigned division shall transfer the case directly to the Family Drug Court if adding said case does not exceed the capacity.
7. All orders issued by the Commissioner as part of a Family Drug Court case shall be entered into the Court's legal file as required by Missouri Supreme Court Rules

74.02 and 74.03 and Missouri Court Operating Rule 4.03, and shall clearly designate the distribution of copies of said orders.

8. As required by §478.005 R.S.Mo. and 42 USCS §290dd-2, treatment court records shall be kept confidential from members of the general public under procedures established by the Deputy Court Administrator/Family Court that are consistent with procedures for all other confidential juvenile social records.
9. To the extent practicable, cases terminated from the Family Drug Court shall be retained by Division 41 but may be assigned to non-Family Drug Court dockets within the division.
10. This order may be amended from time to time to include additional procedures as determined by the Consultation Group.
