

**IN THE CIRCUIT COURT OF JACKSON COUNTY, MISSOURI  
16<sup>TH</sup> JUDICIAL CIRCUIT, STATE OF MISSOURI**

**In Re: Extension of prior Administrative Order regarding Modification of Bonds**

**ORDER ADMINISTRATIVE ORDER 2020-089**

**WHEREAS**, the Centers for Disease Control and Prevention have declared that the outbreak of COVID-19 is a worldwide pandemic; and

**WHEREAS**, the Missouri Supreme Court has entered several Administrative Orders in March 2020, April 2020 and May 2020 regarding on-going court operations; and

**WHEREAS**, the most recent Missouri Supreme Court Order regarding court operations includes Operational Directives related not only to considering strategies to prevent the spread of COVID-19, but also directives which provide for a phased approach toward easing restrictions related to court operations, with a clear intent to move toward more complete court operations; and

**WHEREAS**, this Court continues to consider strategies to prevent the spread of respiratory germs into, within, and between facilities, including strategies specifically focused on and related to correctional and detention facilities; and

**WHEREAS**, defendants arrested on warrants and detained in the Jackson County Department of Corrections are entitled to a hearing on bond within seven days of detention, which hearings are routinely and timely held; and

**WHEREAS**, the judges of this court after conducting such hearings, weighing and considering all factors relevant to decisions regarding the amount and terms of bond, often enter orders modifying nominal bonds so as to release many defendants on their own recognizance; and

**WHEREAS**, the transportation of such defendants to the Jackson County Detention Center (JCDC) and the detention of such defendants pending release hearings, increases the risk of the transmission of the COVID-19 virus to defendants, law enforcement and corrections officers, and other defendants detained in the facility; and

**WHEREAS**, as a result of the unique circumstances existing at this time and considering that defendants who are arrested on warrants with nominal bond requirements will likely be released virtually immediately upon their entry to the JCDC, there exist continuing exigent public health considerations that mitigate in favor of not introducing said defendants into JCDC.

**IT IS HEREBY ORDERED**, effective immediately and continuing until June 30, 2020, as follows:

1. Any defendant arrested on a warrant who is to be delivered to the JCDC with a bond designated at not more than \$5,000.00/10%, \$5,000.00 secured, or \$5,000.00/10%/secured, or a cash only bond of not more than \$500.00, shall be released on their own recognizance with the bond designated in the same monetary amount (e.g. \$5,000.00 ROR).

2. Any additional conditions of release shall apply and be communicated to the defendant.

3. Notwithstanding any return date on the bond, the defendant shall be given a next court date approximately 90 days from the release, on the day and time indicated on the warrant, with said date to be determined by the judicial officer/division in which the defendant's case is pending and with said date to be communicated to said defendant prior to said defendant's release on his/her own recognizance.

**IT IS FURTHER ORDERED** that any law enforcement agency arresting a defendant on such warrant is authorized to release any defendant on the terms set forth above without transporting said defendant to the JCDC.

**THIS ORDER MAY BE AMENDED, RESCINDED, MODIFIED OR EXTENDED AS CIRCUMSTANCES REQUIRE.**

**IT IS SO ORDERED.**
