

DIVISION 32  
TRAFFIC DOCKET  
WARRANT  
WITHDRAWALS

The best way to have a warrant withdrawn is to appear at 9:00 or 1:30 on a traffic docket and the case will be added to the docket. The warrant will be withdrawn and the matter can be resolved at that time. The other option is for the Defendant to appear at Criminal Records in Independence or KC and post the required bond. They will be given a new court date.

(FYI, all warrant issued with a bond amount set at \$2,000 or less are, by Division 32's Standing Order, an automatic ROR).
